The University Hatchet

PUBLISHED WEEKLY BY THE STUDENTS OF THE GEORGE WASHINGTON UNIVERSITY

Vol. 26—No. 21

WASHINGTON, D. C., WEDNESDAY, MARCH 12, 1930

(TP) Means Intercollegiate Press

Chips

One of the best things we've heard recently came over the radio Sunday, when the G. W. Glee Club, recently acclaimed Intercollegiate Champions, sang for listeners of over 50 stations in the Columbia Broadcasting System. With such success rewarding the advent of the Colonials into intercollegiate competition, we don't wonder that the Harmonites sang in conclusion "Prayer of Thanksgiving."

If Will Rogers was listening in out in California, if that's where he is now, he knows that the University has a glee club as well as a football team.

Every member of this glee club that we see around school is in the center of a huge circle of women. Not that they are so popular themselves, you understand, but they were guests of "Rudy" himself at the famous Villa Vallee in New York during the wee sma' hours of Sunday morning, when as intercollegiate champions, they sang for the customers of that establishment. Rudy is very nice, they say, and for further information, consult any member of the glee club.

You can draw a moral from it if you wish, but here our Glee Club has been going its way as quietly as a glee club can, saying little and doing much, and securely known to the vast majority of University students. And yet, when compared with similar organizations from all over the country, it ranks first. There's a whole lot of truth in that old assertion about a prophet and his own country.

We are interested to learn that one of Alpha Delta Theta's winning songs in the W. A. A. competition was "Roll It Up."

A little bird told us that one sorority in the songfest told all about the bear that went over the mountain, and were so ashamed of their effort that they had their pledges sing it. Or maybe the pledges could sing better.

Sorority bridge tournaments incurred our wrath, but when the athletic department for men announces a Marble Tournament, words fail us. We're going right home and get out our top and see if we've forgotten how to spin it. And that old gag about a G. W. Tiddle-winks team doesn't seem so far-fetched at that.

We see by the papers that the negative women's debating team is going on a tour while the affirmative group will remain at home. The moral to be drawn is, disagree and go places, be a yes-woman and stay at home.

This Liberal Club is getting geographical. Last time it had Russia on the program, and tonight Porto Rico is to be reformed. We suggest Azerbaijan, Denmark, Missouri, and the South Pole for the next four meetings.

If there are any Communists in the Liberal Club, we expect to see them attack the new Marine Company which is being formed as a reserve unit at G. W.

Appropos of nothing at all, the following verse found its way to a place just above the light switch in The Hatchet Office:

"Life isn't worth living without you. The days pass none too soon. One thing I hope and wish for Is you and I and the moon."

Even springtime should not excuse the poet for misplacing an apostrophe and making one grammatical error, in addition to exaggerating "one thing" to include three objects.

And the next time the Glee Club gives a concert, we guess you'll buy a ticket.

DICK ROLLO.

AIR CORPS LIEUTENANT TO ADDRESS ENGINEERS

Lieutenant Elwood Quesada, of the U. S. Army Air Corps, will speak to the meeting of the George Washington branch of the American Society of Mechanical Engineers, to be held tonight at 7:30, in Room 17 of Corcoran Hall. Lieutenant Quesada will discuss the practical side of aviation, illustrating his talk with his personal experiences.

The meeting promises to be of unusual interest. Lieut. Quesada is well known in Washington, having attended the public schools here before entering the Army. His exploits as a pilot have brought him wide attention. These exploits include participation in the refueling endurance flight of the Army airship, "The Question Mark," and piloting General Fechet, Chief of the Air Corps, to Labrador when the German transatlantic plane, "Bremen," was forced down there.

COLONIALS LOSE TO CARDINALS IN FINALE BY 37-32

George Washington Defeated in Home Gym By Score Of 37-32

DELAWARE DOWNS G. W.; MAINTAINS EARLY LEAD

George Washington Ends Basketball Season With Nine Victories and Seven Losses

The George Washington Basketball team finished its season last week by losing two games. The first defeat was suffered at the hands of a much-improved Delaware quint, who piled up the largest score that any opponents have made against G. W. this year. The second game was lost to Catholic University by the score of 37-32. Both teams had previously been defeated by the Colonials earlier in the season.

The G. W. quint played their return game with Delaware at Delaware College. Delaware took the lead from the start and easily maintained it throughout the entire game. The Delaware team had greatly improved since their encounter with the Colonials at G. W. some time before. With a seemingly unerring aim for the basket the Colonials were soon placed far in the rear by the Delaware five. The score grew steadily and at the half stood 31-14 in the opponents' favor.

C. U. Breaks Losing Streak

The main scorers for the game were Hill and Barton of Delaware and Fine of G. W. The former chalked up 14 points, and Fine and Barton tied for second honors with ten points apiece. The final score of the game was 42-28.

The Catholic University basketball team broke their losing streak of nineteen straight games by defeating the Colonials in a hard fought contest at George Washington last Thursday night. Scoring was slow at the beginning of the game, but soon started by each team making a foul shot and then following with baskets which brought the score up to 18-15 in favor of C. U. at the half. The score was tied several times during the first half and the lead changed hands. The second half was all in the Cardinals' favor for they kept the lead throughout the first half and added several points to clinch the game.

Fine and Castell of G. W. were the main ones to worry the Cardinals in the scoring line, but their efforts were (Continued on page 3)

O. D. K. WILL INITIATE RAGATZ AND IVERSON

Wilbur To Be Initiator—Smoker For Discussing School Problems Planned After Initiation

Omicron Delta Kappa will conduct a ceremony for the initiation of Dr. Lowell J. Ragatz, member of the faculty, and Kenneth Iverson, student in Columbian College, at the next meeting to be held at the Sigma Alpha Epsilon House, Monday, March 17, at 8:30 o'clock.

Provost William Allen Wilbur will conduct the initiation of these newly elected members into the Alpha Delta Circle. This will be the first initiation ceremony to be held by the local circle which was installed last June in George Washington University.

While little publicity has been given to the work undertaken this year by O. D. K., several important projects have been in progress, one of these being a detailed study of practical plan of Student Government to be adopted by the University as a whole. This plan would replace the old system of class officers which was generally acknowledged to be of practically no benefit to the University, and serving only to create a strain of discord throughout the student body.

At the present time there are twelve members from the student body in Omicron Delta Kappa. However, with the return of Francis Tompkins this semester and the initiation of Kenneth Iverson, the active roll will total fourteen. Tompkins was enrolled at William and Mary College during the last semester where he was one of the outstanding members of that circle through his affiliation there, and by this experience is expected to contribute many ideas to the George Washington Circle regarding the workings of the William and Mary chapter.

While the meeting of March 17 will be primarily for the purpose of initiation, it is also planned to turn over the balance of the evening into a smoker for the entertainment of faculty members and visiting members from other circles who are now attending George Washington. It is expected that Dean Henry Gratton Doyle will be present from the faculty and the following members from the student body: Herbert E. Angel, William Snow, Gerald Sickler, Henry Herzog, Floyd Pomeroy, George Von Dachenhausen, Robert Gray, John Thacker, Jay Miller, Francis Tompkins, R. Campbell Starr, and Don Elmhart.

G. W. GLEE CLUB WINS NEW YORK CONTEST
The George Washington University Glee Club was first, Yale second, and Ohio State third in the National Competition held at Carnegie Hall, New York City, last Saturday evening.

G. W. DEBATERS DEFEAT FLORIDA

Chinese Team To Come Here Friday For Final Meeting Of Season

CHINA'S CULTURE IS TOPIC

Parsons and Duncan Are On Team Which Is Victorious Over Florida

The George Washington University Men's Debating team won a unanimous decision of the judges in a debate held with a team from the University of Florida last Thursday evening. Robert Parsons and Hearst Duncan represented George Washington in this meeting, while B. C. Thorndal and E. L. Miller formed the visiting Florida team.

Disarmament was the subject for argument. The home team took the affirmative side, in favor of disarmament, while the visitors supported the maintenance of fighting organizations.

The three judges who rendered the decision were Dr. W. M. Geyser, head of the History Department at American University, Mr. L. S. Hulbert, of the Federal Farm Board, and Mr. Carl Smith, a prominent attorney.

Chinese To Argue

On Friday evening, March 14, the closing debate of the current season will be held. This will be in the nature of an international encounter, with a team representing the Harvard Chinese Debating Club. The final meeting will be held in Stockton Hall, beginning at 8:30 p.m.

The group of Chinese debaters from Harvard University have an excellent reputation, and a very interesting meeting for Friday evening is assured. The visiting debaters will argue the superiority of Chinese culture over that of the Occident, while the George Washington speakers will uphold the accepted Western ideas.

The Florida debate was the sixth of the season. Other institutions to send teams to Washington this year have included Ohio Wesleyan, Princeton, and North Carolina. George Washington teams have visited North Carolina State College and the University of North Carolina.

ALPHA DELTA THETA WINS W. A. A. SONG PRIZE

Alpha Delta Theta was awarded both first and second places in the Women's Athletic Association Song Contest and thus won a silver loving cup. The contest was sponsored by Prof. Ruth Atwell, and the judges were Professor Atwell, Professor Ann Pearl Cooper, and Professor Norris I. Crandall. The songs were judged on a basis of being representative of women's sports at G. W.

The two winning compositions with which Alpha Delta Theta won were a "fight" song and "Roll It Up," both by Inge von Lewinski.

Great enthusiasm marked the large group of girls who turned out. Among the competing organizations were Kappa Kappa Gamma, Kappa Delta, Chi Omega, Alpha Delta Theta, Alpha Delta Phi, and the Coloplalettes.

MASONIC CLUB DANCE

The Masonic Club will give a dollar dance in Corcoran Hall 1, on Saturday, March 15, from 9 to 12. Elmer Brown's Orchestra will furnish the music.

Proceeds from this dance will be used, like the money from selling the cherry blossoms two weeks ago, to help endow a Chair of Foreign Service in the new School of Government.

BELLE CONTEST TO CLOSE MARCH 15

Beall, Jackson, Mays, Miller And Wright Named In Close Race

RESULTS HELD IN SECRET

All Biographies For Cherry Tree Must Be Turned In Today

Final votes for the "Miss Colonial Belle" contest must be cast this week, by Saturday, March 15, to be counted in the final voting. Subscriptions to the 1930 Cherry Tree may be made either to Joe Howard, Circulation Manager, or at the Registrar's Office. The leading contestants in the race for the title of Miss Colonial Belle are five outstanding co-eds, and although the standing of the girls is not being made known, it is rumored that the votes are very close. The girls are as follows: Winifred Beall, Carolyn Jackson, Peggy Mays, Barbara Miller, and Roberta Wright.

The winner of the Miss Colonial Belle contest will not be disclosed until May, when the yearbook goes on sale. The Features Section, of which Edith Norris is editor, will be dedicated to the winner of the contest, and pictures of her will be on the opening pages of the section. Other parts of the Features Section will be unusual and novel, and of interest to the campus at large. There will not only be many snaps, but also a review of the social events of the year, a silhouette faculty section, the results of a questionnaire, sent out to the fraternities and sororities, and a goodly number of personals. In the Features Section there will also be space devoted to Medical School, the Nurses School, and the Law School.

Copy Being Sent Away

All copy has now been turned in to the Cherry Tree staff and the editors are sending the material to the printers. Any seniors who had their pictures taken and failed to send their biographical data to Barney Conger, Classes Editor, may send this to him by today, March 12th, in the Cherry Tree office.

The Cherry Tree will make its appearance on the campus the early part of May. Subscriptions for the book should be made before that time, however, as there will only be a limited number of the annuals available.

PAN-HEL LUNCHEON TO HONOR STAR STUDENTS

The annual scholarship luncheon, sponsored by the Pan Hellenic Association, will be given Saturday, March 22, at which time the scholarship cup will be presented to the sorority connected with the society, with the highest average.

Each sorority will be represented by its senior delegate, and the active member and pledge with the highest averages. Non-sorority students, holding the highest averages in each year of Columbian College and the School of Education, will also be invited.

Special invitations have been sent to Mrs. Cloyd W. Marvin, as guest of honor, Mrs. Winnie G. Barrows, Miss Anna Pearl Cooper, and Mrs. Joshua Evans, Jr.

Vivian Ward, Pi Phi, has been appointed toastmistress. The luncheon committee consists of Beryl Loughlin, chairman, Mary Margaret Henry, Carol Fraser, Anna Bonner, Kitty Beall and Margaret Mitchell.

ORCHESTRA MEETS TOMORROW

There will be a meeting of members of the orchestra in Corcoran Hall 1, on Thursday, March 13, at 12:10.

Bricklayer-Prizefighter Seeks To be Pledge of G. W. Frat When He Enters The School

Some fraternities have to rush men to get pledges, others have the men rush them. Last Saturday a fellow who might have been mistaken for Bull Montana dropped in one of the houses saying that he knew several of the men, liked the house, and that he had decided to join. He explained that he went to National Law School and was a bricklayer in the summer, but a prize fighter during the winter. Did we ever read the papers? On being told that it was necessary to attend George Washington before he could even be considered, he seemed surprised, but replied that he had already thought of entering there in September. "See you later," were his parting words.

It is probable that at the next meeting of the Council, boxing, as an inter-fraternity sport will be discussed.

SPHINX CHOOSES 3 NEW MEMBERS

Mary Priest, Roberta Wright And Judith Wood Honored By Election

INITIATION HELD SUNDAY

Mary Priest Named As President And Judith Wood As Secretary-Treasurer

Sphinx, honor society, elected Mary Priest, Roberta Wright, and Judith Wood at a meeting held last week on the campus. Sunday night initiation for newly elected members was held at the home of Eugene LeMerle, president for 1929-30, at 2011 Q Street N. Y.

Following the initiation election officers were held. Mary Priest was unanimously elected president, and Judith Wood, secretary-treasurer.

Election to membership is based upon scholarship, personality, and notability of the girl on campus. Activities are not a necessary prerequisite, but a girl must have 25 per cent above-passing grade in scholarship.

The three girls elected this spring had the highest averages in the junior class.

Biographies Given

Mary Priest had a grade average of 93 per cent, was a Hatchet reporter for 1927-28-29-30, acted as assistant, back-up editor on the Cherry Tree in 1928-29-30, and is a member of the Modern Poetry Club. Alpha Delta Phi is her social sorority. Judith Wood's grade average is 91.4 per cent. She made the junior class hockey team and wears a numeral. She is a member of the junior class basketball team, the track team for 1928-29, and the sophomore class hockey team for 1928-29, and the W. A. A. She is a member of the Episcopal Club and was on the staff of the Colonial Wig for 1928-29. Her sorority is Alpha Delta Theta.

Roberta Wright made a grade average of 90.9 per cent. She is a captain. (Continued on page 3)

ALPHA DELTA LAMBDA ELECTS ELEVEN CO-EDS

New Honor Society Organizes With High Scholarship As a Requisite

Eleven women appeared as members of Alpha Delta Lambda, women's freshman honor society, at the organization meeting held in the office of Mrs. Winnie G. Barrows, Tuesday, March 4. These students, who were made eligible through having at least fifteen credit hours from their freshman year with no grades below "B," half of them being "A," are: Jeanette Bernstein, Carolyn Brooks, Mildred Burnham, Nanette Dembitz, Mildred Freeman, Mae Elizabeth Joseph, Dorthea Lewis, Beatrice R. Miller, Mary Maciulla, Margaret S. Payne, and Marion Voigt.

Mildred Burnham was elected temporary president winning this election over the other nominee, Nanette Dembitz. Margaret Payne is the temporary vice president and Mary Maciulla secretary-treasurer.

Dean Henry Gratton Doyle took charge of the meeting until the officers were elected. He discussed the value of an organization on the campus that recognizes the scholastic achievements of freshmen. He also spoke on whether students should be admitted after only one semester's work, but the decision on this question must be held in abeyance until the reception of the national constitution.

Installation In April

The chapter is to be installed in April and until that time it will have meetings at which prominent Washington women will speak on topics of current interest. The first meeting, which is for purposes of organization, with no speaker, is to be in the form of a luncheon at the Tallyho Tavern tomorrow.

G. W. GLEE CLUB WINS IN NATIONAL SONG CONTESTS

National Competition in New York Gives G. W. First Place

YALE TAKES SECOND AND OHIO STATE COMES THIRD

Glee Club Gave Concert Sunday Over WMAL and Columbia Radio Hook-Up

The G. W. Glee Club in a national competition with twelve University Glee Clubs—the survivors in a regional elimination that started with 150 entrants—carried off first place, with Yale second, and Ohio State third. The singing of the twelve-gee clubs remaining in the finals was judged at Carnegie Hall, New York City, Saturday night, by Harvey Gaul, Channon LeFevre, and Markuerite Deboss, and a silver loving cup was presented to the winners to hold during the coming year.

The three songs the G. W. Glee Club rendered in the final contest were "Lo, How a Rose E'er Blooming," "Hark, Jolly Shepherds," and "Hail G. W." The first song was chosen by the Glee Club and counted a maximum of 30 points toward the prize; the second was prescribed by the management of the contest and counted 50; the third was prescribed as a school song, counting 20 points.

The George Washington Glee Club took first place by a margin of 5.6 points, the greatest difference between first and second place in the history of the contests which have been sponsored by the National Musical Council since 1914. Usually the difference is measured in tenths of a point, and this year, the variation between Yale and Ohio State was but two-tenths of a point.

Strong Clubs Participate

The twelve university glee clubs participating in the finals included George Washington, Yale, Ohio State, Wesleyan, North Carolina, Oklahoma, Dartmouth, Princeton, Columbia-Fordham, New York University, and Penn State.

During the contest the judges and the contesting clubs were separated by a curtain, so the identity of the organizations would not be known. As an added precaution to prevent bias, each club appeared at three different times during the evening, rendering one of its selections at each appearance.

Immediately after their victory on Saturday night, the glee club went to the Villa Vallee where they were the guests of "Rudy" himself, and sang several numbers for those at the club.

Go On Radio

Sunday night following the successful contest, the G. W. Glee Club sang over WMAL from 8:30 to 9. Their program was broadcast over 50 stations of the Columbia chain. Their program was "Lo, How a Rose E'er Blooming," "Hark, Jolly Shepherds," "A solo, 'La Quita'" by Richard Kilstein, two chanteys, "Eight Bells," and "The Way to Rio." "Hail G. W." and "Prayer of Thanksgiving."

Robert Harmon is director of the club, and Jesse Stimson, undergraduate leader, directed the singing for the radio broadcast.

The G. W. Club represented the Middle Atlantic Colleges, having won over Johns Hopkins and Catholic University in the preliminary contest held a few weeks ago.

G. W. ENGINEERS BANQUET APRIL 12 AT MAYFLOWER

The annual George Washington Engineers' Banquet will be held at the Mayflower Hotel on Saturday evening, April 12, at 7:30, in the Chinese Room. Committees which were chosen at an open meeting of engineering students held on February 28, are busy lining up attractive speakers and entertainment features. The committee on arrangements is in charge of Doyle At-Beck. Richard Radue will serve as business manager, and Charles Brush as secretary.

Interest in the affair is running high among engineering students. It is the one outstanding social event to which the busy engineers give their attention. Last year's banquet, also held at the Mayflower, was attended by the President of the University, the Dean of Engineering, members of the faculty, alumni, and the majority of the students registered in the School of Engineering. Those attending were unanimous in their praise and in the hope that the banquet, which was inaugurated last year, might become an annual event.

WASHINGTON, D. C., WEDNESDAY, MARCH 12, 1930

THE GLEE CLUB

Students at George Washington University are beginning to realize that the University Glee Club is really in the class of champions. Although members of the student body have had frequent opportunities of hearing the singing of the Glee Club, few have noticed or recognized the qualities which caused the committees of judges to select the group from George Washington as the best college Glee Club in the United States.

After intensive training and practice under the leadership of Robert Harmon, the director, and after participating in a number of recitals on various occasions, the George Washington University Glee Club was entered in a competition of the glee clubs of the universities of the Middle Atlantic States, and was adjudged the best of this group.

For the national competition, clubs representing fourteen of the leading colleges in the United States were chosen by elimination, and these fourteen were sent to New York for the final meeting. From this selected group George Washington, Yale, and Ohio State, in that order, were selected as the winners.

In this field of musical accomplishment, then, George Washington has won the foremost place in the sun among leading American colleges. The Glee Club is to be congratulated most heartily upon their achievement.

WOMEN IN SPORTS

The Colonial Women's Basketball team has just completed the most successful season in its history. The girls of the Buff and Blue competed with Gallaudet, Drexel, William and Mary College and Swarthmore College without defeat. The final game of the year was played against Swarthmore and was counted a 2-2 tie by the officials of the game because the final basket came at the same time as the final whistle, and the whistle was unheard by the umpire and referee. This game was the first in which any team has gained even a temporary lead over the George Washington sextet during the season.

The girl basketballers have played fast, clean basketball. Their passing is clever and smooth as well as fast, and the number of fouls called on them is unusually small.

We believe that much credit is due to the girls themselves for the type of basketball that they play; for keeping training in spite of the difficulty of doing so at the University, in spite of the interference of rushing season and other social events. We think that even more thanks are due to the members of the Physical Education Department who, during their first year's work at the University, have built up a women's basketball team of which the University might well be proud. Particularly the success of the team is the result of the work of Helen Lawrence, basketball coach, who has drilled the principles of basketball and training into the members of the squad.

STUDENT REPRESENTATIVES

As June and graduation get nearer and nearer we continue to ask ourselves and the President's Council when some decision will be reached in regard to a Student Council, composed of representative students who will be able to lead the affairs of the student body at least to the extent of officiating at the Class Night exercises of the class of 1930.

While there is no absolute necessity of speeches nor of the customary handing down of the mantle of seniority, those of us who have spent four or more years of our lives among the cobbles and mud plots of George Washington University cherish the memories of the customs and ceremonies of past years. We have little enough of pomp and tradition in our practical and hurried college existence without eliminating the final gathering of the senior class.

Class Night was instituted with the idea of honoring a group of students who have completed the requirements for a degree

and awarding special mention to those outstanding graduates who have accomplished more than their fellows in some branch of scholastic or student activity. To drop student leadership from this last meeting of the class would be to defeat the object of the occasion.

Washington City Rho Chapter of S. A. E. announces the formal initiation of John G. Conkey, Ray Moulden, Jack Chumley, Robert Boyle, James Blain, Jack Gode, Robert Constine, Forrest Burgess, Edward Damron, Stewart Proctor, Gerald Free, and Irl C. Schoonover, on Friday, March 7.

S. A. E. held its Founder's Day Banquet at the Racquet Club on March 8. The toastmaster was Representative Heartill Ragon. Among the speakers were Representatives William W. Arnold and Simms, Newell Allison, Professor Collier, of The George Washington Law School, and Louis Elwood Whyte.

Kappa Alpha entertained with supper at the House on Sunday night, with Eddie Myer, Minor Hudson, and Jeff Creyke acting as masters of ceremonies. Midge Burnham, Betty Brandenburg, Edith Norris, and Ethel Copes were among those present.

Kappa Alpha announces the initiation of Milton Scrivener, Oliver Pagan, "Dutch" Bowman, Lyle Sturdevant, William Wells, William Vogt, Robert Fox, William Wick, and Henry Babcock.

Phi Delta announces the promising of Frances Hall.

Zeta Tau Alpha was very glad to have the presence of Miss Mildred Spragg, their national inspector, at the meeting of the chapter last Monday night.

Zeta Tau Alpha entertained their pledges at supper in the rooms Monday night.

Olivia Watkins spent the week-end at Quantico, Va., as the guest of Grace White.

Miss Agnes Farrell entertained Beta Chapter, Phi Delta Gamma Graduate Society at tea in the Chapter Room on Sunday, March 2.

Chi Omega had supper in the rooms Monday, March 3, for Dr. Ragatz and the new pledges.

Sigma Kappa had a luncheon in the rooms Monday, March 3, for the new pledges.

Phi Mu gave a Founder's Day banquet at the Grace Dodge Garden House in honor of their pledges on March 4. It was their seventy-eighth anniversary.

Dolph Atherton has gone to Florida for the rest of the winter.

Brad Swope entertained Libby Baltz, Caroline Schreiner, Dorothy Hefebower, Christine Spigul, Ruth Warren, Bill Licklider, Jerry and Doris Sickler, Jack Dorset and Rob Adams at his home March 2.

Chi Omega had a dinner in the rooms Monday, March 10, in honor of Dr. Bolwell.

Delta Tau Delta announces the formal initiation of Neil Sparks, Charles Eggenschweller, Hugh Smith, Alvin Slinker and Edward Hall on Sunday, March 9.

Delta Tau Delta gave a formal banquet in honor of their new members at the Raquet Club on Sunday, March 9. The speakers were Senators Barkley and Henry Allen and Hon. Dewey Short.

Jerry and Don Sickler entertained the Sunday Evening Club at their home March 9. Among those present were Libby Baltz, Caroline Schreiner, Dorothy Hefebower, Alice Walford, Christine Spigul, Ruth Warren, Brad Swope, Jack Dorset, Bill Licklider and Wick Jones.

Margaret Blackstone and Jean Jackson stayed in Philadelphia over the week-end with Virginia Blackstone Milburn.

A "Waffle Party" was enjoyed Thursday evening at Betty Reynolds' home.

Hermie John had a tea in honor of the pledges and actives of Kappa Kappa Gamma on Sunday.

Kappa Kappa Gamma announces the marriage of Harriet Kellond, '29, to Robert Richmond, Jr., of the Harvard Law School, on January the first, in Panama.

Sigma Nu announces the initiation of Hunter Keller, William D. Winston, Malcolm Zahn, Arthur McCray, Lee Carlin, Eugene Thornton, William Weisbrodt, and Junior Wells.

Sigma Kappa active and alumni chapters entertained the pledges at supper and bridge on Tuesday, March 4, at the University Women's Club.

Alpha Delta Pi announces the engagement of Cloude Senetiere to Midshipman John George Howell.

Delta Tau Delta announces the initiation on March 9 of Charles Eggenschweller, Q. C. Smith, Alvin C. Schlenker, Neil W. Sparks and Edward Hall.

In the evening an initiation banquet was held at the Racquet Club.

Dewey Short, of Missouri, was toastmaster, and four other Congressmen were speakers: Representatives Brum, Hastings, Hoch, and Sloan, Dr. Daniel Borden, of the Medical School, also spoke.

Sigma Phi Epsilon announces the initiation of William Lewis, Lamar Hilton, Gordon Sullivan, Theodore Graf, W. Abbot Gorham, Thomas Smart, George Grimsley and Ray Carlton.

The active and alumni chapters of Sigma Nu banqueted on Monday night at the Mayflower in honor of the initiates.

Mrs. Katherine Slaughter Boaz entertained the pledges and the active chapter of Alpha Delta Pi at tea at her home on Thursday, March 6.

Frances Marshall McClure is in Washington spending the months of March and April visiting her family.

Alpha Delta Pi held formal pledging in their rooms on Monday night, April 3, followed by a formal pledge banquet at the Iron Gate Inn.

Dolly Tschiffely spent the week-end in Gettysburg.

Among those seen at the C. U. Bucknell Boxing Match were Max Farrington, Ruth Chindblom, Don Ingersoll, Eleanor Kise, Jean Sexton and Arline Spencer.

Phi Sigma Sigma gave a luncheon in honor of its pledges at the Madrilon, on Saturday.

Phi Alpha announces the initiation of Herman Goldberg, Nathan Popludger, Horace Smith, Richard Finkel, Raymond Miller, Jack Rubin, Samuel Horowitz, Richard Epstein, and Leonard Berman.

Louisa Saegmuller and Mildred Freeman entertained at a bridge party on March 8, for members of Kappa Delta.

Helen Furer's mother entertained at tea at the Palm Court of the Mayflower, on March 1.

Pi Phi gave a luncheon on March 3, in the rooms. Provost Wilbur, Dean Ruediger, Dr. Ragatz, Mr. Diebert, Mr. Baker and the new pledges were the guests.

Kappa Delta gave a theater party for their pledges, last night at the National.

Sigma Theta Delta announces the pledging of Lawrence Ball, Nevitt Smoot and Francis Smith.

Alpha Delta Theta entertained its actives and pledges last Thursday with a bridge-luncheon in the rooms.

Alpha Delta Theta held a supper for its pledges at the Brick Wall, on Monday night.

DECRIES MASS PRODUCTION

To the Editor of the Hatchet,
Dear Sir:

According to a Professor of English in the University, there is one main argument against colleges and college education—suppression of individualism. To use his own words, "American colleges may be compared to a sausage machine, grinding out sausages, one after another, each identical with its predecessor, all conforming to a certain pattern—and if one of them has any individual traits and does not conform, the inspector will not pass it, or in other words, that sausage will not graduate." This may seem idle banter but when one thinks about it, he realizes it is only too true. The individual has no place in college. In practically all cases, his tastes are suppressed, his ideas are laughed at, and his actions are ridiculed. He is unlike the "common rabble" and he is made to feel it. He doesn't wish to be a parrot—take in dry facts, and obligingly pour them forth on examinations, and then forget everything ever known. He desires to be himself, different from the rest, but he dare not. He must conform. His ambitions must be limited to marks and a diploma.

Colleges are therefore becoming because of this "mass production" a laughing stock for the rest of the world—institutions no longer of learning, but of stereotyped convention.

MILLARD JEFFREY.

G. W. Alumna Named To White House Group

Miss Fay Bentley Called to Conference on Child Health and Protection

Fay L. Bentley, a graduate in the February, 1930, class of The George Washington University Law School, has been named a member of the White House Conference on Child Health and Protection. She will visit representative cities and towns in the eastern half of the United States in a personal study of school attendance and its relation to child welfare, particularly child delinquency.

Miss Bentley is director of school attendance and work permits in the District public school system and has been granted a leave of absence by the Board of Education during the period she will be engaged in the conference assignment. She is the first member of the local school system to receive the distinction of being chosen for the nationwide survey which the conference will undertake. It is anticipated that her field study and incident reports will be completed in June.

Previous to receiving her law degree, Miss Bentley successfully passed the District of Columbia bar examination held in December and expects to be formally admitted to the bar before leaving the city this week.

She is a member of the George Washington chapter of Phi Delta Delta fraternity.

Wednesday, March 12:
American Society of Mechanical Engineers Meeting, C. H. 17—7:30.
Liberal Club presents lecture on Porto Rico, C. H. 1—8:30.

Thursday, March 13:
Orchestra Meeting, C. H. 1—12:10.
Episcopal Club Meeting, C. H. 17—8:00.

Indoor Physical Training Demonstration for Women, Gymnasium, 8:00.

Menorah Society Meeting, C. H. 15—8:45.

Friday, March 14:
Columbian Debating Society—Debate on "Resolved, That this House Supports the Present Religious Policy of Soviet Russia"—C. H. 17—8:15.

Saturday, March 15:
G. W. U. Medical Alumni Banquet Mayflower Hotel.
Masonic Club Dance, C. H. 1—9:12.

Monday, March 17:
Mathematics Club Meeting, C. H. 25—8:00.

Newman Club Dance, Kenwood Country Club—10:00-1:00.

Tuesday, March 18:
Talk for Freshman Women on "Vocations"—Bldg. M, Room 10—12:00 noon.

Wednesday, March 19:
Civil Engineers Meeting, W-29—8:00.

Thursday, March 20:
Le Cercle Gallia Meeting and Card Party, Phi Mu Rooms, 2024 G Street—8:00.

Saturday, March 20:
Panhellenic Scholarship Luncheon.

MENORAH'S PROGRAM INCLUDES 2 STUDENTS

Steingold Will Speak on Famous Rothschild Family; Orleans to Give Readings

The regular semi-monthly meeting of the Menorah Society will be held tomorrow, Thursday, March 13, at 8:45 p. m., in Corcoran Hall, Room 15.

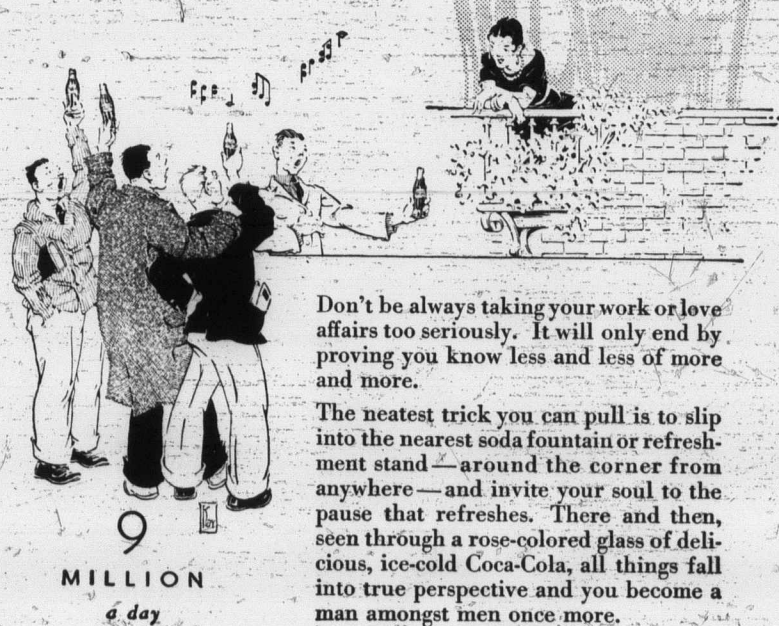

Features of the program, include presentations by two G. W. students. "The Romance of the Rothschilds" will be the subject of a talk by Moses Steingold, in which he will trace the rise of the Rothschild family, famous for its position in the financial world through two centuries. Sol Orleans will appear in two dramatic readings: "The Soul of the Violin" and "Shylock in Defense of his Race." This will be followed by open forum discussion. Everyone is invited.

And dull care
withers on the vine

Don't be always taking your work or love affairs too seriously. It will only end by proving you know less and less of more and more.

The neatest trick you can pull is to slip into the nearest soda fountain or refreshment stand—around the corner from anywhere—and invite your soul to the pause that refreshes. There and then, seen through a rose-colored glass of delicious, ice-cold Coca-Cola, all things fall into true perspective and you become a man amongst men once more.

The Coca-Cola Company, Atlanta, Ga.

T. U. O. IS WINNER IN FRAT BOWLING BY DOWNING K. S.

League A Championship Goes To
Theta Upsilon Omega By
Larger Pinfall

DISPUTE IN LEAGUE B AS
SIGMA CHI BEATS T. D. X.

Phi Sigma Kappa Remains In Run-
ning With Three Game Victory
Over Acadia

LEAGUE A		
Team	Won	Lost
Theta Upsilon Omega	4	1
Sigma Nu	4	1
Kappa Alpha	3	2
Kappa Sigma	2	3
Sigma Alpha Epsilon	1	4
Sigma Phi Epsilon	1	4
LEAGUE B		
Team	Won	Lost
Sigma Chi	4	0
Phi Sigma Kappa	3	1
Delta Tau Delta	2	2
Theta Delta Chi	1	3
Acadia	0	4

Theta Upsilon Omega was awarded the championship of League A in the Inter-Fraternity Bowling, having tied for first place with Sigma Nu with four wins and one defeat, on the total pinfall of the season. Theta Upsilon Omega took the odd game in their match with Kappa Sigma, while Sigma Nu won from Sigma Alpha Epsilon by default. In League B, Sigma Chi won three games from Theta Delta Chi to hold their place at the top of the league with four wins and no defeats. Phi Sigma Kappa handed Acadia their fourth straight defeat of the season to put themselves in second place.

Phi Sigma Kappa is contesting the eligibility of one of the Sigma Chi rollers; the dispute has not as yet been decided, and the champion of

SWIMMING

An urgent call is submitted for backstroke men for the swimming squad. Any man interested, no matter what experience he has had, will please report immediately to Coach Farrington at the Gymnasium.

League B not chosen. It will be decided during the coming week, who will represent League B to play Theta Upsilon Omega for the cup of Thursday night.

Pinfall Decides Winner

After dropping the first game to Kappa Sigma, Theta Upsilon Omega came back to win the remaining two games, rolling a total of 1,483 pins. Pomeroy was their high man with a 330 set, and Dryer rolled 315. Polkhorn was high for Kappa Sigma with 310. This win put Theta Upsilon Omega in a tie for first place with Sigma Nu, but Theta Upsilon Omega was awarded the league championship since their total pinnage was higher than Sigma Nu's.

Sigma Nu won from Sigma Alpha Epsilon on a default, but rolled off their match to get a total of 1,466 pins. Seale was high with a 321. Their efforts were in vain, since after tying for the league championship, they saw the honors given to Theta Upsilon Omega.

In the other match in League A, Sigma Phi Epsilon took a two-to-one decision from Kappa Alpha, in spite of the fact the Kappa Alpha team out-totaled them by six pins, with 1,416. Anderson, of K. A., was the high man of the match with 308.

Phi Sigs Win

Sigma Chi kept their slate clean by winning three games from Theta Delta Chi, and hold the leadership of League B with four wins and no defeats. Sigma Chi rolled a total of 1,442 pins. Bushman was their high man with 352.

Phi Sigma Kappa gave Acadia their fourth defeat of the season by taking three games from them in a one-sided match, and put themselves in second place in the league. Phi Sigs rolled a total of 1,482 pins, Quarles being their high man with 327.

WOMEN'S GYM CLASSES TO HAVE STUNT NIGHT

Pyramids, Tumbling, Dances, Diving,
and Basketball Game To Be
Main Features

Interesting features have been promised for the Indoor Physical Training Demonstration that is to be given tomorrow night at 8 o'clock in the University Gymnasium.

Games, drills, and dances will hold important places on this program to be carried out by approximately 250 students. Girls selected to participate in the various groups are not trained exhibitionists. They, however, include members of all gymnasium classes and their intention is to demonstrate simply what each group has learned in each of its regularly required physical education classes during the year.

Probably the high point of the evening will be the basketball game, which is to be played by a team picked from the best players on the class teams. These players are to oppose the regular Varsity team. Tumbling, another popular feature of the program, will include agility feats, somersaults, head and hand stands, balanced stunts, and diving. There will also be unique relay races, run by the Intra-Mural groups, and some difficult pyramid stunts.

The demonstration, to which all those interested are invited, will mark the close of the indoor physical education season of the University.

Miss Atwell has announced the following program for tomorrow night:

Gymnastic Drill Freshmen
Troika, a Russian Folk Dance Freshmen
Tumbling and Stunts Freshmen
"Newsies," a Clog Dance Sophomores
"Russian Flax," a Peasant Dance Freshmen
Pyramids, a Clog Dance Sophomores
Friezes Sophomores
"Sailor's Hornpipe" Freshmen
Relay Races Intra-Mural Teams
Basketball Game Varsity Team vs. Picked All-Class Team

COLONIAL CO-EDS TIE SWARTHMORE

Buff and Blue Team Remains
Undeatable at Close
Of Season

SOPHS WIN CLASS MATCH

Juniors Defeat Seniors and Sophomores Win Interclass Tournament
By Downing Freshmen

Rounding out an unusually successful season, the George Washington co-ed basketball team, played the crack Swarthmore combination to a tie on Friday, March 7, in the Colonial gym. Just before the final whistle, the count stood 31-30 in favor of the Colonials, but Swarthmore scored just as the game ended. As there was doubt as to the legality of the final 2-pointer, the official score was finally announced as a 2-2 tie by the referee and umpire who were called upon to decide the matter.

The game was a thriller from start to finish. Swarthmore gained an early lead, which she kept throughout the first half. The score at the beginning of the third quarter was 18 to 11 in favor of the visitors. The Swarthmore girls were hard pressed to maintain their lead, however, for the G. W. combination continually intercepted their passes. In the last half, Crumley and McGregor, Buff and Blue forwards, showed such improvement in shooting that the score was tied and finally, in the fourth quarter, the Washingtonians forged ahead and maintained their advantage to the final moments of the contest.

Crumley Plays Well

No substitutions were made in the Colonial line-up. As forwards, Naomi Crumley and Jean McGregor played an excellent game, with Crumley, varsity captain, ringing up several remarkable shots.

Jenny Turnbull and Wilhelmina Gude, center and side center, respectively, got in some splendid passing in center field, although their opponents, Stirling and Booth, were taller and heavier.

In the guard territory, Evelyn Folsom and Catherine McCallum, managed to upset the visitors' plays time and again by intercepting passes and preventing the stellar Swarthmore forward, Bennett, from shooting.

This is the first time during the season that either team has been so near defeat. Swarthmore has previously defeated Ursinus, Rosemont College, and the St. N. Y. U. team; the latter by a 42 to 22 score, while the Colonials have conquered Gallaudet, Drexel, and the William and Mary sextet. The defeat administered to William and Mary was the first loss the Virginians had suffered in four years.

The line-up was as follows:

G. W.	Swarthmore
Crumley, f.	Bennett, f.
McGregor, f.	Richards, f.
Turnbull, j. c.	Stirling, j. c.
Gude, s. c.	Booth, s. c.
Folsom, g.	Newcomb, g.
McCallum, g.	Harvey, g.
	Cookman, g.

Sophomores Win

The sophomores have emerged the victors in the girls' class basketball tournament by defeating the freshmen, 27 to 8. The game was played as a preliminary to the G. W. Swarthmore contest.

Although the freshmen played hard, the sophomores were clearly superior both in passing and in shooting for the basket. The winning team was composed of Marian Lum and Helen Hall, forwards; Lillian Breckinridge and Inge Von Lewinski, centers; Rosalie Reed, side-center; Cary Aal, Neya Ewin, Margaret Payne, and Lou James, guards. The freshman line-up was as follows: Helen Chafee and Jane Hill, forwards; Marie Tabinski, center; Mary Braselton and Bernice Nordlinger, side-centers; and Mary Wasserman, Coreia Kelly, guards.

The juniors defeated the seniors by a score of 16 to 4, although the juniors were forced to use only five players throughout the game. Martha Bennenson, junior forward, rang up the sixteen points for the winning team.

The line-up was as follows:

Juniors	Seniors
Bennenson, f.	Nichols, f.
Morrow, c.	Irey, f.
Wood, s. c.	Coon, f.
Kanof, g.	Whitney, c.
Sproul, g.	Chindbloom, s. c.
	Reed, g.
	Alpert, g.

CO-EDS SHOOT 495 SCORE

The Colonial Co-ed Rifle Team turned in a total score of 495 out of a possible 500 in a telegraphic match with the University of Washington last Saturday, March 8.

The individual scores of the high five who counted are:

Crumley	100
Parsons	99
Spencer	99
Wright	99
Johnson	98

This week-end, the Buff and Blue team will journey to Philadelphia to shoot a return match with Drexel Institute. Drexel visited George Washington on March 1, and was defeated by the home squad.

CHEERLEADERS REPORT

All candidates for the cheer-leading team will please report to the Gymnasium Thursday, at 1 o'clock. Any man unable to be present will please leave a schedule of his free hours with Coach Farrington as soon as possible.

LACROSSE

Due to the lack of interest shown, George Washington will have no lacrosse team. Only eight men showed any desire to participate in this sport. Only three of the eight had had previous experience.

CO-ED SWIMMERS BOW TO SWARTHMORE TEAM

Apfel Wins Free Style Event and
Cates Scores In
Diving

George Washington University's co-ed swimming team lost their first meet of the season to Swarthmore College at the Y. W. C. A. pool, on Saturday, March 8, by a score of 27 to 15.

Swarthmore won first place in three of the five events, including the 160-yard relay. George Washington placed first in the 80-yard free style race and the fancy diving. Adele Apfel won the free-style event and Betty Cates scored highest in diving.

The order of events was as follows:

40-yard free style—First, Jackson (S.); second, Legate (S); third, Kyle (G. W.). Time, 25.2 sec.

80-yard free style—First, Apfel (G. W.); second, Wardell (S.); third, Crittenden (G. W.). Time, 55.2 sec.

Fancy diving—First, Cates (G. W.); second, Geare (S); third, Walton (S.).

40-yard back stroke—First, Geare (S.); second, Kyle (G. W.); third, Walton (S.). Time, 20.1 sec.

Relay—Won by Swarthmore.

(The officials were, Misses Marian Meigs, Dorothy Latham, Anna Van Buskirk, and Ruth Atwell, director of Physical Education at G. W.)

The members of the swimming teams were as follows:

Swarthmore—Jackson, Vinson, Biddle, Legate, Geare, Wardell, and Walton.

George Washington—Crittenden, Kyle, Cates, White, Jacobs, Corea, Von Lewinski, Booth, Apfel, and Brookhart.

Colonial Boxers Gain Victory In Final Match

Bouts End Boxing Season; Team
Wins Two, Thes One, and
Loses One

The Colonial Boxers ended their season with a 4 to 3 victory over Pennsylvania Military College, fought at the Pennsylvania gym on March 1st. The Colonials took two forfeits and two matches on points to give them the decision while the Red and Gray took two matches on points and one technical knockout.

Red Oeschlaugher, heavyweight, and Dave Cohen, featherweight, took their matches on forfeits. Phillips and Coateski took their men into camp in such fashion that there was no doubt as to the decision. Bill Stanley, lightweight, and John Duffalo, light-heavyweight, lost to the soldiers; the former on points and the latter by a technical knockout.

Thus the Colonial boxing schedule, the first in the history of the school, ended with the good record of two victories, one tie and one defeat.

FRESHMAN TEAM WINS OVER CARDINAL FROSH

Game Follows Earlier Victory Over
Benjamin Franklin Quint By
Score of 37-20

The George Washington University Freshman basketball team completed their regular schedule with victories over the Benjamin Franklin University quint and the Catholic University Freshmen. Both games were played in the G. W. Gym. Benjamin Franklin was defeated with comparative ease, but C. U. offered much stronger opposition and the final margin of victory was but 4 points.

The accounts from Benjamin Franklin threatened seriously but once and the result was never in doubt. Forrest Burgess was high scorer with 15 markers to his credit and Lee Carlin was second in points scored with 11. Sherman, with 11 points, was the high scorer for the visitors. The final score was 37 to 30 in the Cubs' favor.

Game Delayed By Dispute

The Catholic U. quint had defeated the Cubs earlier in the season in a game played at Brookland, and the home team was desirous of evening their previous defeat. The game was delayed in starting for 45 minutes by a dispute over the eligibility of Burgess, but he was finally allowed to play.

The game was fast from the opening whistle, and the Varsity game seemed tame in comparison to the preliminary. In the last few minutes of play, when C. U. was forced to play with only four men, Coach Conner of the Cubs withdrew Burgess so that the visitors would not be defeated because of having lost so many men by the personal foul rule.

Carlin was high scorer with eleven points for the Cubs, and Sheary accounted for the most points for the Cardinal Yearlings. When the final whistle blew the G. W. Frosh were in the lead, 33-29.

Y GIRLS MEET IN CORCORAN HALL

Lucy Street, National Musical Director, Will Be Speaker

DISCUSS WEEK-END PARTY

Social Committee Will Serve Luncheon After Business Meeting

Y girls will hold a meeting in Corcoran Hall next Wednesday, March 19, at noon. Miss Lucy Street, national musical director of the Y.W.C.A., will be the speaker. She will tell the students what music and singing can mean to a group, and how much enjoyment can be had from it. She will also lead the group in some songs including many novelties.

At the meeting some important business will also be taken up. The date for the May week-end party at Kamp Kahlert will be decided, and also plans for the service work to be done at Easter time will be announced. Baskets will be filled for about fifty children for which the Y girls will bring dyed eggs.

Following the meeting the social committee will serve a luncheon in Corcoran Hall for a nominal cost. Reservations should be made in the Women's Building by Tuesday morning. The luncheon will be very enticing.

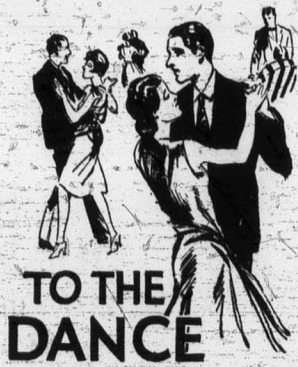

Members of the G. W. Y. W. C. A. will be the guests at a tea on Tuesday, March 25, given in their honor by the Membership Committee of the City Y at 17th and K Streets. Invitations will be sent out to Y members and the girls are urged to accept the invitation. The cabinet of the University of Maryland Y. W. C. A. will also be present to meet the G. W. girls.

ARCHEOLOGISTS TO HEAR EMINENT MEN THURSDAY

World Travelers to Give Illustrated Lectures in Corcoran Hall

Gideon A. Lyon, Associate Editor of the "Evening Star" will give an illustrated lecture at the University before the "Art and Archeology League" on "Japan and the Japanese" on Thursday evening, March 13. The lecture will be held at 8 o'clock in the assembly room in Corcoran Hall, and is open to members of the University and the public. Mrs. Mitchell Carroll, lecturer in archeology in the University and president of the Art and Archeology League, will preside. Mr. Lyon's lecture is based upon his recent trip through Japan, China, Manchuria and Korea, in company with a group of American journalists who travelled as guests of the Carnegie Endowment for International Peace. His talk will be illustrated with colored slides from pictures taken by him during the journey.

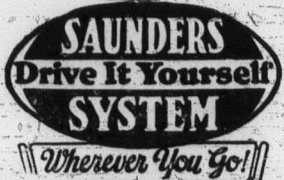

Tomorrow afternoon at four o'clock Mr. MacDonald, of Haverford, Pennsylvania, will talk before Mrs. Carroll's archeology class on "The Route Taken by Ulysses." Mr. MacDonald has travelled extensively in the Aegean Islands and has made an intensive study of their classical background. His lecture is illustrated with slides, and is open to the public.

For just two, or the crowd, a Saunders System car is the most convenient. Arrive early—stay till the last waltz, then home at a reasonable hour for a good night's sleep. Return the car as you go to work. The wee small hours cost you nothing. Get our rates on Model A Fords and new Chryslers.

Professor T. Fridell Stalks Through Red Demonstration Calmly on Way to Luncheon

The imperturbability in the face of danger of our faculty knows no bounds. Last Thursday in the midst of the Red demonstration in Lafayette Park a calm, familiar brow was glimpsed dodging around amid hysterical Communists, bobbing placards, and burly policemen. Professor Fridell was not to be diverted from his lunch engagement by all the tear bombs in the Washington Arsenal. Absolutely unimpressed by his peril, he scurried through excited throngs and shuffling patrol wagons in the direction of McPherson Square.

The rioting proved an excellent field of research for the student interested in mob psychology, economic crises, or other interesting phases of university work, not to mention the opportunity of a meteoric rise into the movie world by the coeds' coy parading up and down in front of energetically winding movie cameras for the news services, and tinkling laughter within hearing radius of the sound apparatus.

CO-ED DEBATING TEAM ON THREE-DAY TOUR

Affirmative Team Visits Syracuse, Cornell and Buffalo; Negative Team Debates Well

The women's debating team, which starts on its tour today, will meet Syracuse University Thursday night, Cornell Friday, and Buffalo Saturday. Louise Feinstein, captain, who is now engaged in her third year of Varsity debating and is a member of Delta Sigma Rho, honorary forensic fraternity, Julia Benoit, who is doing Varsity debating for the first time, and Virginia Frye, who also has debated for two years previously are being sent on this trip. At the request of the opponents, the question has been reworded to "Resolved: That the present tendency to provide a liberal arts college education for all high school graduates that wish to seek it is unsound."

The debate at Cornell is part of a triangle debate between Pittsburgh, Cornell and George Washington. In which the George Washington affirmative team will debate a Pittsburgh negative team at the same time and with the same specifications as the debate at Cornell. The Washington debate will be held in Stockton Hall, Room 1, at 8 o'clock. It is to be held in the form of an open forum debate, which means the audience may ask questions.

The affirmative team will debate March 18, at Maryland. On March 21 and 22 this team will go to Temple and Swarthmore.

So far this season the negative team has beaten Penn State and has had a no-decision debate with Swarthmore. The affirmative team has had a no-decision debate with Ohio Wesleyan.

Modernism in Religion Explained To Catholics

Newman Club Plans St. Patrick's Dance For Next Monday

"Modernism in Religion" was the subject of the address by Dr. Louis Arand, of the Catholic University, who spoke to the Newman Club at its meeting last Thursday evening. Dr. Arand outlined the growth of the modernistic tendencies in the Christian religion from the time of the reformation to the present. He presented the main arguments of the modernist attack on the fundamentals of Church Dogma and explained the necessity for the position taken by Pius X in proscribing the doctrines of modernism and quasi-agnosticism within the church.

Arrangements have been completed for the annual St. Patrick's dance of the Newman Club to be held at the Kenwood Country Club on Monday, March 17, from 10 to 1. Subscription for the affair will be \$2.50 per couple, and music will be furnished by the Washington Five Orchestra. Interesting features of the program include interpretations of modern songs by Eileen Lally, several original acrobatic and tap dances by George and Ann Filgate, and a series of xylophone solos by Sam Rosey. The committee in charge of the dance is composed of Walter O'Brien, chairman, Dudley Aud, Tom Bentley, Frances Hamill, Edward Orozco, Marian Roberts, and Marie Sullivan.

At a business meeting of the club announcement was made of the card party to be held on April 4. The following committee was appointed to arrange for the affair: Louise Parker, chairman, Bob Austin, Dorothy Harrington, Anna King, George Lynch, Oscar Makari, Margarita Osuna, Felix Pinera, and Catharine Upton.

Ohio State prohibits the holding of social functions and amusements during the week.

G. W. MEDICAL ALUMNI TO BANQUET SATURDAY

Many Prominent Men to Attend Reunion of Association This Week-End

Many men eminent in the field of medicine will attend the annual reunion and banquet of The George Washington University Medical Alumni to be held Saturday evening, March 15, at the Mayflower Hotel, under the auspices of The George Washington University Medical Society. Among the honor guests will be the Surgeon General of the United States Army, the Surgeon General of the United States Navy, the Surgeon General of the United States Public Health Service, the President of the American Medical Association, Dr. William Gerry Morgan, the dean of Johns Hopkins University Medical School, Dr. Allen Mason Chesney, the dean of the Georgetown University Medical School, Dr. John Foot, the dean of the University of Virginia Medical School, Dr. James Carroll Phippin, and Senator Royal S. Copeland.

Dr. George W. Crile, internationally known physician and founder of the famous Cleveland Clinic and Cleveland Clinic Hospital, will come to Washington to deliver the address at the banquet. Dr. Crile is the country's outstanding authority on thyroid and goiter treatment, and his development of local anesthesia has been an important contribution to medical progress. He will speak upon a subject of interest both to the general practitioner and the specialist.

Dr. Daniel C. Borden, President of The George Washington University Medical Society will preside at the banquet, which will be attended by some 300 graduates of The George Washington University Medical School and Dental School from Washington and nearby cities.

Vocations Talk To Be Given To Frosh Women

Mrs. Dodd, of the Institute of Women's Professional Relations To Speak

Mrs. Alvin Dodd, formerly vocational adviser at Wheaton College, will speak to freshman women next Tuesday on "Vocations," in Building M, room 10, at 12 o'clock. Her appearance here is due to the efforts of Mrs. Minnie G. Barrows who plans a series of addresses on similar subjects of vital interest to women of the University.

Mrs. Dodd is now chairman of the board of directors of the Institute of Women's Professional Relations, a research organization sponsored by the American Association of University Women. She was also chairman of the Information Committee of the New England Vocational Guidance Association. Before her marriage, when still Catherine Filene, she edited "Careers for Women," a book which early added to her reputation.

In her talk Mrs. Dodd is expected to cover the topic of vocations generally, probably developing the two questions with which the research of her organization is occupied: What are the best fields of work for the college woman; how can the college best assist in preparing the college woman to succeed in these fields.

Freshman women are especially urged to attend, since it is they who can best benefit from a discussion of this sort, when their college careers are scarcely under way and can be better molded according to the advice of one highly experienced in the problems which they face now.

Beaux Arts' Exhibit Now Sent Elsewhere

Prize Display to Circulate Throughout Universities to West Coast

The national exhibit of design problems displayed in the Architecture Building left the George Washington campus on March 6 to continue its circuit to all the universities represented.

The Beaux Arts Institute of New York, to which several colleges submitted designs, selected the best and sent them to be shown at the various college exhibits.

Such designs as a family mausoleum, restaurant, ballroom, horticulture society building, and mastaba tomb have received recognition.

Designs were submitted by George Washington University, the Cleveland School of Architecture, Kansas State University, Harvard University, Ohio State University, and Universities of California, Syracuse, Illinois, Oklahoma, Texas, and Washington.

Richardson Elected For Nineteenth Time

Professor Again Heads Society For Philosophie Inquiry; Presents Paper On Medicine

Dr. Edward Elliott Richardson, Professor of Mental and Moral Philosophy, has been elected president of the Society for Philosophie Inquiry for the nineteenth time.

This society is one of the oldest of its kind, having been established in Washington for about thirty-five years, for nineteen of which Professor Richardson has been at its head. "Medicine and Philosophy" was the title of a paper which Dr. Richardson presented to the society very recently. Miss Matalce Lake, a teaching fellow in Philosophy, and a graduate of George Washington University, is also a member of the Society for Philosophie Inquiry, and has just presented a paper on "The Absolute and the Cosmos."

Webster's Words Fail When Students Are in Dire Need; May Be Obsolete Before June

The words of Webster are rapidly crumbling between collapsing walls of leather in the voluminous study and reading hall.

Even the iron stand, which has upheld the "rights" of good spelling for years, is trembling from age and is not expected to bear the continuous search for synonyms and proper meanings long enough to see the June Class of 1930 through their thesis!

The huge dictionary has had several downfalls lately due to inability to hold the bodily weights of plump freshmen, who turn its pages and go down the columns looking for words that possess that "upperclassman tone" for their rhetorical themes.

After each Waterloo it has been replaced in its quarters. However, we believe its only a question of time.

COLUMBIAN DEBATERS DISCUSS CITIZENSHIP

Decide Naturalized Citizen Should Be Willing to Take Up Arms

Columbian Debating Society declared itself against the elimination from the naturalization procedure of the question, "Are you willing to take up arms for the defense of your country?" at its last regular weekly meeting, Friday, March 7.

Norman R. Hagen and Gilbert Rabinowitz, arguing the negative, were declared by a close vote to have made clear a stronger argument than that propounded by Sol. Alpher and Leo David of the affirmative.

The affirmative speakers declared that the retention of this question acts to exclude intelligent, desirable citizens; that under the latest interpretation of the question by a Federal Judge, religious and civil loyalty become incompatible; and that elimination of the question would be a definite step toward world peace.

Opposed to these arguments the negative declared that those aliens who refused to answer this question affirmatively are merely publicity seeking internationalists, and that the rights of natural born American citizens would be impaired if the question were eliminated from the naturalization procedure.

"Resolved, That this house supports the present religious policy of Soviet Russia" will be debated Friday evening, March 14, at 8.15 o'clock. The debate will revolve around the radical and conservative policies of Russia.

David Rapoport and Paul Linbarger will uphold the affirmative in the Russian debate, while Mr. Quarles and Mr. Doering will speak for the negative.

At the meeting last Friday H. H. Blythe and J. P. Ullman were elected to membership in the Columbian Debating Society. A spirited business meeting followed the debate.

EPISCOPAL CLUB WILL HOLD MEETING THURSDAY

Officers for Coming Year to be Elected and Conference Reports Given

The G. W. U. Episcopal Club will elect officers for the coming year at a meeting of the club to be held in Corcoran Hall 17, Thursday evening, at 8 o'clock, according to an announcement by Virginia Bonifant, president of the club.

Reports from the Tri-Diocesan Conference held at St. Marks Church February 28, March 1 and 2, will be received from delegates attending the sessions. The delegates were Virginia Bonifant, Kennedy Watkins and Mildred Conkly.

CLUB PLANS BANQUET

The Colonial Club of George Washington University is now making tentative plans for a banquet to be given all athletes of the University. It will be held later in the spring, and will be in the nature of a farewell celebration. In addition to the athletes of every team, the President of the University and the coaching staff will be invited. Details will be announced later.

This club, which has acted as sponsor for a number of dances, smokers and other entertainments given primarily by the University, and for the football banquet at the end of last season, is composed of the following men: Lyman Dishman, George von Dachenhauser, Don-Iglehart and Henry W. Herzog.

RADIO PERMIT WITHHELD

The operating license of W3ACY, the sending station of the G. W. Radio Club, expired on March 4, and so far no action has been taken by the Federal Radio Commission to renew it. Six weeks ago the club was threatened with a \$5,000 fine and its members with two years imprisonment for allegedly operating off-band and causing interference with Army transmission. Failure of the Commission to renew the license may probably be traced to this alleged infraction of other regulations.

BARBERS HEADS CARABAO

John Barbers, a G. W. student, was elected President of the Carabao Club of the District of Columbia recently, and a celebration meeting to welcome in the new officers was held last Saturday. The meeting took place at the home of James Wingo, who has been elected Critic of the Club.

The Carabao Club of D. C. is an organization of Filipino students in the United States, whose home province is the region of Ilocos Sur. A large number of the membership is composed of G. W.ites.

Magazine Prints Work Of Instructor at G. W.

Frank Smith's Study of Work of Paine Given Leading Position By Publication

Frank Smith, acting instructor in English at George Washington University, is the author of the leading article in the current issue of the publication "American Literature."

Mr. Smith's article is entitled "New Light on Thomas Paine's First Year in America." In it, he presents much new and valuable information on Paine's activity in America in the period before the publication of the famous pamphlet "Common Sense," which made Paine a world figure.

In both his undergraduate and his graduate work, all taken at George Washington University, Mr. Smith achieved a brilliant record. After taking the degree of Master of Arts, he was appointed teaching fellow for two successive years. This year he received the appointment as acting instructor.

SARGENT TO ADDRESS ENGINEERING SOCIETY

Will Discuss Alaskan Aerial Expeditions of 1926 and 1929, Showing Many Slides

R. H. Sargent, Chief Topographic Engineer of the Alaskan Branch, U. S. Geological Survey will address the student chapter of the Society of Civil Engineers on the work of the Alaskan Aerial-Survey Expeditions of 1926 and 1929. These surveys were made in southeastern Alaska, and in the expedition of 1929 alone 12,750 square miles were photographed. Mr. Sargent will discuss the results of the survey, and will follow the lecture with a showing of 100 lantern slides, most of which are colored.

At a recent meeting of the "Association of American Geographers" in Columbus, Ohio, these slides, especially the glacier views were acclaimed as some of the most remarkable ever exhibited.

In both expeditions Mr. Sargent was technical advisor and also liaison representative of the Navy and various Federal Bureaus. He has spent 21 seasons in Alaska and probably knows the country better than anyone in the United States.

The meeting will be held Wednesday, March 19, 8 p. m., in room W 29. Students interested in aerial mapping or scenic Alaska are invited to attend.

LIBERAL CLUB PRESENTS LECTURE ON PORTO RICO

Program to be Given Tonight in C. H. 1, at 8.30

Dr. Frank Tanenbaum, Research Associate in the Robert Brookings Graduate School of Economics and Politics, will speak tonight on "The Influence of the American Occupation on Social and Economic Conditions in Porto Rico." This program will be under the auspices of the Liberal Club, and will be held in Corcoran Hall, Room 1, at 8.30 p. m.

Dr. Tanenbaum received his Ph. D. from Brookings in 1927, and has since traveled in the South, in Mexico, and in the Caribbean. He is a member of the Academy of Political Science, and has written numerous books, the best known being "The Mexican Agrarian Revolution," "The Labor Movement" and "Darker Phases of the South."

Before coming to Brookings, Dr. Tanenbaum was a fellow at the New School for Social Research, in New York City, where he was engaged in research work on penology.

This lecture is open to the public.

CURVES IS MATH TOPIC

At the next meeting of the Mathematics Club on Monday, March 17, at 8 p. m. in Corcoran Hall 25, Paul Bradt, a graduate student, will lecture on "Order of Contact of Curves." All interested are invited.

The Mathematics Club heard Albert Wertheimer lecture on "Alignment Charts" on March 3. The use of charts for graphical computation was demonstrated and the theory developed. In each of the charts, two variables determine the position of a straight line which intersects a graduated scale giving the value of the third variable. The process may be extended to more variables. The adaptability of such charts to different kinds of mathematical formulae was exhibited.

QUIGLEY'S PHARMACY

21st and G Sts. N. W.
THE G. W. U. STORE
(Opposite the University)

We carry a full line of College requisites, excepting Text Books. Fountain Pens—Faber, \$3.50 to \$7.00; Watermans, \$2.75 to \$7.50; Shaeffer, \$3.50 to \$8.75; Chilton holds double quantity ink. Also the Harris, \$1.00 to \$1.50; Shaeffer, Parker, Waterman Pencils; also the Perpetual at 25c.

Have lunch at our New Electric Bill Rice Fountain

1855 SEVENTY-FIFTH ANNIVERSARY 1930

Harnessing Niagara Falls to the washing machine

Cheaper power! Groping after this modern touchstone to wealth, deluded inventors slaved over perpetual motion machines... informed inventors evolved the turbine... broad visioned men harnessed the rush of waters... engineers raised pressures and temperatures to produce more power without corresponding increases of cost.

While, step by step, this progress has taken place, the many men who have contributed to it could not know what far-reaching results it would have. Now the ultimate boons grow clear. Water power development becomes a national policy, steam bids fair to rival water power for cheapness, economically produced power brings more plentiful goods, lights houses and hauls crowds in cities, is carried to rural sections to lift washday drudgery from farm women's shoulders.

Among the many industrial victories that are behind this revolution, none is more important than wider knowledge of piping materials and better materials. One of the highly prized chapters of our history is the contribution that Crane research and valve engineering has made to the general advance. The results of this research are embodied in a Crane book, *Pioneering in Science*. It is a fascinating story of engineering development and a valuable reference work for engineering students. A request will bring you a copy.

CRANE

PIPING MATERIALS TO CONVEY AND CONTROL STEAM, LIQUIDS, OIL, GAS, CHEMICALS
CRANE CO., GENERAL OFFICES: 836 S. MICHIGAN AVE., CHICAGO
